

**McMaster University is pleased to host the  
 First Ontario Users Group Meeting this October 8 and 9, 2009  
 at Stonechurch Family Health Centre, 1475 Upper Ottawa St., Hamilton, Ontario**

Whether you're an expert OSCAR user or a novice, this event will provide you with the opportunity to increase your knowledge about current OSCAR features, new features that will be arriving soon and allow you to share your thoughts and ideas with others in the community. For those who are curious about OSCAR, but have never really seen it in action the Thursday evening session will provide you with a detailed overview of the system's features and capabilities. For current OSCAR users or those who want to dig a bit deeper, the Friday sessions will consist of a series of practical hands-on workshops and seminars tailored to meet the varying needs of different users.

Don't miss this exciting opportunity to learn and share information with other OSCAR users from across the province.
